TOURNAMENT ORGANIZER - Tom Nelson

CHIEF TOURNAMENT DIRECTOR – CSCA Scholastic Coordinator – Tom Nelson

COMPUTER PAIRINGS – CSCA Secretary - Randy Reynolds

The Scholastic Division of the CSCA expresses great appreciation to the University of Colorado at Denver for sponsoring this tournament and promoting scholastic chess in Colorado.

***** Please keep this page for future reference *****

Players, Parents and Coaches Information – Main Tournament

Who can play?

- A. Any child who is in grade K-12 and who is either a resident of Colorado or a resident of a bordering state may enter the tournament. This includes home-schooled children of equivalent age. A youth that graduates in December from 12th grade may participate in this tournament. Note that if a child elects to enter a division that is higher than their age (e.g. a 6 year old enters the 4-6 grade division), they are only eligible for awards based on their standings in the division they play (in this example, the 4-6 grade division). In addition, they would only be eligible to play on a team composed of members in the division they entered (in the same example, the 4-6 division).
- B. You must be a current USCF (United State Chess Federation) member. It is not necessary to have a USCF rating.
1. You may acquire or renew a USCF membership online at: http://main.uschess.org/component/option.com_wrapper/Itemid,323/
- C. You must be a current CSCA (Colorado State Chess Association) member or pay a one tournament CSCA membership fee.
1. For non CSCA members the one-tournament CSCA membership fee is included in the \$25 tournament registration fee.
 2. If you are a current CSCA member fill in the appropriate information on the registration form.
 3. You may become a CSCA member by sending in \$32 instead of the \$25 fee. The yearly membership includes a subscription to the Colorado Chess Informant magazine and also allows members to participate in other CSCA-sponsored events, mainly adult tournaments, throughout the year.

Please note: An out-of-state participants may win a trophy; however, the state title may only be awarded to a resident of Colorado.

How many games do I play? This is a six round tournament. You will play all rounds (unless you draw a bye for a particular round).

What is a bye and how are they handled in this tournament?

- A. When there are an odd number of players in a division, there will be one player in each round who gets a full-point bye. This player will get a full point (as if they had won their game) for that game and will not have to play.
- B. If a player cannot participate in a round, they may still play in the tournament. They may request a 1/2-point bye for two of the first four rounds and 0 point byes for the last two rounds. A player requesting more than two byes in the first four rounds will receive 0 point byes for all rounds over the first two requested byes. A player must request these byes when they send in his/her registration or before 8am on the first day of competition. Byes requested after 8am on the first day of competition will not receive points. Requested byes are not revocable after 8am on the first day of the tournament.

What do I bring? Boards, sets and score sheets will be provided for competition games. You will need to bring your own sets for practice games. Chess clocks will NOT be provided. You are encouraged to bring your own clocks. Please make sure names are on all chess items. Bring proof of USCF membership, e.g. USCF membership card or USCF membership paperwork.

Do I have to play with a chess clock and/or keep a score sheet? All players will be required to use clocks if they are available. Score sheets for recording moves will be provided. Keeping score is not mandatory, but strongly advised, and needed in case of certain disputes. Tournament Directors will put clocks on games approximately 20 minutes before the end of the round.

What supervision is there? All players are required to have adult supervision. Tournament Directors will supervise in the tournament area only. Children that do not obey the rules will be asked to leave the tournament.

Who is eligible for Team Trophies? Players from the same schools make up a team with the following exceptions:

- A. School Districts whose elementary schools go K-5 and start their middle schools with 6th grade.
1. 6th grade players may play for an elementary school in the 4-6 division if the following conditions are met:
 - a. They attended the elementary school the previous year.
 - b. There are only one or two 6th graders in their middle school playing in the tournament. If there are three or more 6th grade players in the tournament from their middle school the players must form a team from their middle school.
 1. Exception to rule "A.1.a". The student moved into the school district this year and began attending the middle school. The student can then play for any elementary school that directly feeds into the middle school.
- B. School Districts whose middle schools only go to 8th grade and start their high schools in 9th grade.
1. 9th grade players may play for a middle school in the 7-9 division if the following conditions are met:
 - a. They attended the middle school the previous year.
 - b. There are only one or two 9th grade players from their high school playing in the tournament. If there are three or more 9th grade players in the tournament from the high school the players must form a team from their high school.
 1. Exception to rule "B.1.a." The student moved into the school district this year and began attending the high school. The student can then play for any middle school that directly feeds into the high school.
- C. Home schooled children living in the same county may form a team or join the team of the school they would be attending, based on his/her address, if going to a public school. Each home schooled child will only be allowed on one team. Division ages are as follows for home schooled children: K-3: five to nine, 4-6: ten to twelve, 7-9: thirteen to fifteen, 10-12: sixteen to eighteen.

There is no maximum number of players on a school team. Teams must have a minimum of two players. The top three players' points on each team will count towards the team score. If there are fewer than three players on a team, then their cumulative score will count towards the team score. Ties will be broken using the same tie breaks as the individual tie breaks above. Every effort will be made to avoid pairing team members. Exceptions will be made in the last three rounds. Please indicate the school team on the entry form for each entrant. School teams must be established by the time of pre-registration. Any corrections to school affiliation must be made before the beginning of the 3rd round.

How do I enter? You must pre-register. There will be no on-site entries. Fill out the attached entry form and send with a check made out to CSCA Scholastics to Tom Nelson – 7354 S. Quince Court, Centennial, CO 80112. Entries **MUST BE POSTMARKED BY FEBRUARY 13, 2010**. Limited scholarships are available by contacting Tom Nelson. You will be required to provide a written teacher recommendation and show the need to obtain a scholarship.

PLEASE NOTE: Players sending in incomplete, inaccurate, or unreadable entry forms will receive a 0 point first round bye. Corrections to his/her form will be made during the first round.

Should I bring food? The food court at the Tivoli will be open for several hours during lunch.

What about bad weather? In the event of inclement weather, check <http://www.colorado-chess.com> for up to date information.

Who do I contact if I have questions? Tom Nelson: 303-482-2870 or email: [cscascholasticchess @comcast.net](mailto:cscascholasticchess@comcast.net)

SUMMARY OF USCF RULES

The 2010 Colorado State Chess Association Scholastic State Championship
is sanctioned by the United States Chess Federation
and conducted by its rules.

Please note the following guidelines:

TOURNAMENT DIRECTORS (TD)

Tournament Directors will be on the tournament floor at all times to assist you in the event of any problem or question. Raise your hand and keep it in the air until a TD comes to assist you. Remember that a TD will generally not interfere with your game. It is up to you to make a claim. If you think that a TD has ruled incorrectly concerning your game, ask to appeal to the Chief TD immediately. The Chief TD has the final say. To file a protest, you must post \$100 with the Tournament Organizer. The process for protesting outlined in the USCF Rule book will be followed to resolve such protests.

TOURNAMENT ROOM

Coaches, parents, and other advisors may assist players in finding their boards before each round. During the game, only players whose game have not been completed and TD's will be allowed in the tournament room.

CLOCKS AND TIME CONTROLS

All players are encouraged to play with a clock. All players will be required to use clocks if available. The TD's will put clocks on games with approximately 20 minutes remaining. Clocks must remain running at all times, except when a TD is called by either player to resolve a dispute.

RECORDING MOVES

Each player is strongly encouraged to record the moves. A player who chooses not to do so gives up the right to claim a draw by triple occurrence of position or under the 50-move rule, and gives up the right to challenge such claims by their opponent. The player also gives up the right to claim anything illegal other than the last move.

TOUCH MOVE

If you touch a piece when it is your turn to move, that piece must be moved if you can do so legally. If you touch an opponent's piece when it is your turn to move, the opponent's piece must be captured if you can do so legally. You must say "I adjust" before touching a piece if you want to adjust that piece on the board. You should do so only when it is your turn. If you accidentally release a piece on an unintended but legal square, you must leave it on that square.

ILLEGAL MOVES

A player must call an illegal move. The TD may not call any illegal moves.

CHECK

Announcing check is not required. It is the responsibility of the opponent to notice the check, and a player who does not may suffer serious consequences. (See the touch move rule.)

LATE ARRIVAL

A player who is more than one hour late for a scheduled round loses the game by forfeit and will normally be dropped from the tournament. The hour is measured from the actual starting time of the round, which may not be the scheduled starting time. A player should start their opponent's clock once the TD announces that the round has begun. If a clock is not available at the start of around, any elapsed time before one becomes available will be split between both players. If both players are late for the start of a round, the first to arrive must split the elapsed time before starting the opponent's clock.

DRAWS

If you want to offer a draw to your opponent, you should do so after you make a move, but before you start your opponent's clock. Your opponent may decline the draw by saying so or by moving a piece. A draw offer is valid until the opponent turns it down. If both players agree to a draw, the game is over. A reasonably complete and accurate score sheet is required to claim a draw by triple occurrence of position or under the 50-move rule. If such a claim is found to be incorrect, two minutes will be added to the opponent's remaining time.

REPORTING OF RESULTS

Immediately upon completion of the game, players should raise their hands. A TD will come over to your table to verify the results of the game.

- Both players will sign the results sheet.
- Set up the pieces.
- The TD will then make sure the results sheet is taken to the scorers table.
- Leave the tournament room and not re-enter until the round is complete.

PAIRINGS

The Swiss System Pairing Computer Program will be used for this tournament. Players will generally be paired with other players who have the same score each round. Players should not receive the same color three times in a row unless no other acceptable pairing is possible. Players on the same team will not be paired against each other during the first three rounds. If you believe there is a pairing error, report it to a TD immediately! Once the round starts, it will be too late for changes.

CONDUCT OF PLAYERS

Keep as quiet as possible on the tournament floor so that you do not disturb other players. You may not speak to anyone while your game is in progress unless a TD is present. If there is a problem of any kind during your game, call a TD immediately. If you wait until after your game is over, the TD will be unable to change the result, even if your claim was correct. You may not consult any chess books, computers or other material during the game. You may not leave the tournament room during your game for any reason without getting permission from a TD. Players may talk to coaches and teammates only in the presence of a TD.

INTERFERENCE

NO interference in any game by spectators, other players, coaches, or parents will be tolerated. Penalties include expulsion from the tournament. Only the player involved should point out irregularities by raising your hand to summon a TD. TD's will generally limit their self-initiated involvement in a game to situations involving sportsmanship matters.

OTHER RULES

All other rules will be based upon the 5th Edition of the Official Rules of Chess as published by the United States Chess Federation. Penalties for rules violations are at the discretion of the Chief TD and may vary from warnings and time penalties to forfeitures and expulsion from the tournament.

CSCA Scholastic State Championship Registration Form
 Auraria Campus – 900 Auraria Parkway, Denver, CO 80204
 February 20 and 21, 2010

This year's K-1 State Championship will be held on Saturday, February 20. This is a five round Swiss system tournament. All rated and unrated K-1 players are invited. Your K-1 child **does not** need to be a USCF member to play. Players will play all 5 rounds. The top 5 players will receive 1st through 5th place trophies. All other players will receive participation trophies.

For the main tournament all participants must have current USCF memberships. You will be responsible to have your membership current. You may go to the following URL to acquire or renew your USCF membership:

http://main.uschess.org/component/option.com_wrapper/Itemid.323/

PLEASE NOTE THE FOLLOWING:

1. **Entry forms must be postmarked on or before Saturday, February 13, 2010.**
2. **No entries will be allowed at the door.**
3. **A player sending in an incomplete, inaccurate or unreadable form will receive a first round 0 (zero) point bye. Corrections to his/her form will be made during the first round. You must fill out all shaded areas relative to your entry.**

The following can be found at the following URL: <http://www.colorado-chess.com/scholast/schtour.shtml>

1. Rules and Round times for the tournament.
2. After Monday, February 1, 2010, you can check to see if your child is registered and if the information is correct.

Release and waiver: This entry form constitutes a complete waiver and release from liability. Please read carefully before signing. All entries must be signed by the parent/guardian. Each parent/guardian is responsible for their dependent's (participant's) safety and behavior. As a condition of entry, you agree that Colorado State Chess Association, its organizers and managers, are not responsible for you or your dependent's safety, the actions of other attendees, or conditions at the tournament site. By signing this form, you are waiving any and all claims you might have in the future against Colorado State Chess Association, its organizers and managers, for damages or injury of any kind arising out of this tournament, even if it may be due to negligence or carelessness of the organizers. You also agree to pay any property damages to the tournament site caused by yourself or your dependents. You further agree to hold Colorado State Chess Association, its organizers and managers harmless, and indemnify them generally and specifically, from all such liability.
